EMERGENCY/DISASTER INFORMATION FORM

The Southbay Community Emergency Response Team consists of neighbors who have received training from Sarasota County emergency providers. The subdivision is divided into six zones, each with a zone captain and co-captains. In order to help the team in an emergency (hurricane, tornado, flood, fire, terrorist activity, etc.) we are asking homeowners to provide certain information. The information you provide is strictly voluntary and is to be maintained by the zone captain and the Southbay office. If you feel that a certain question is too invasive, please skip over the question.
